

Covid-1984

2 Thessalonians 2:9-12

As you go through the week...

You have probably heard me refer to the Coronavirus Pandemic as the *Great Disruption*. That's because nothing has ever impacted the world so quickly and so severely than this pandemic. What is often overlooked is the social changes these *disruptions* have upon governments, economies and societies. The oft repeated phrase is a *new-normal*, which is really an oxymoron: If it's *new*, it's not *normal*; if it is *normal*, it's not *new*. In just 111 days, the world has completely changed.

Questions for Reflection/Discussion:

- 1. In what ways has the last three months changed your life? For better? Or for worse?**

- 2. What changes do you see coming in the near future?**

- 3. How do you think Christian's should respond to these changes?**

Passages cited: **Proverbs** 3:7; **Luke** 21:17; **John** 7:7; 15:18; **2 Thessalonians** 2:9-12; **Jude** 3, 4.
